The Deputy Commissioner recommends that a permanent advance under the head "Secret Service" might be allowed.

In Government Proceedings No. 3257-60 / J. 342 dated 31st August 1900, a sum of Rs 500/- has been allotted for "Secret Service" and of Rs 1000/- for "Reward for good service" for the Gold Fields Police.

I request that you will be so good as to move the Government to authorize the Comptroller to place a sum of Rs 200/- out of the allotment under the head "Secret Service" or "Reward for Good Service" as an advance with the Superintendent of Police, Gold Fields, in addition to the permanent advance of Rs 100/- as the full

full allotments under these heads are not likely to be expended within the year. This advance will be renewed by the Superintendent at the beginning of each official year.

Sir

I have the honor to request you to kindly consider the advisability of increasing the permanent advance of this office for the following reasons: —

The office is an entirely new one and as such a very large number of contingencies have to be met within a short period to enable us to establish a proper working basis. I allude to such contingencies as building boards for files etc which in an old established office would arise only periodically and could easily be met. At present these charges have to be met as well as — rents for buildings and distributions of secret service funds out of a permanent advance of Rs 100/- which is quite insufficient and the result is, I find myself at present unable to discharge debts incurred in the employment of persons on secret service as well as the contingent

costs arising from the employment of extra men at Bowringpet on the occasion of His Excellency the Viceroy's visit. These debts at present stand at a little over Rs 100/- and I have but Rs 8/- in my cash chest. Last month a similar exigency arose and for fear of loosing the confidence of informants and others, I was compelled to meet numerous charges from my private purse, prior to the receipt and cashment of our contingent bill. From the small permanent advance expenses relative to office contingencies, rewards for good service, Secret Service, cart hire, house rent, etc - have to be met. The annual allotment to meet such expenses of both the executive Police force and the detective Police force is considerably over Rs 6000/- per annum, as laid down in Mysore Government order No: 3257-60/J.342 dated 31-8-1900, which suggests the contemplation of a monthly expenditure from the Cash Chest of about Rs 500/- per mensum. The detective force is, however, not yet organised, though expenditures are being incurred on secret service. There must always be some delay in the checking and

passing of the monthly contingent bill which means that for a considerable portion of each month we are absolutely without funds and possibly so in the present case, due sums which will at once absorb the money which will be paid us on last month's contingencies. To avoid a continuance of this state of affairs, I earnestly request you will consider the advisability of immediately increasing our permanent advance to Rs 300/- instead of only Rs 100/- which will be sufficient for the present.

I have etc,
